
Dear Keith,

As you know, we do evaluations of each of our speakers and workshops. I thought you would like to see what the CMHACY participants thought of your presentations. These are the most outstanding evaluations and comments that were received from any of our CMHACY conference speakers- ever!!!! You exceeded our expectations and we so appreciate all that you have given to us from your heart and soul that inspired all with a sense of determination and renewed commitment to continue our work in helping children and families.

Thank you again!

Sincerely,

Mary Jane Gross
